WEGES COMMUNITY SPIRIT

TO KEEP CITY BEAUTIFUL Billibrard, in city and country, un-ightly roof signs on city property ad incongruous buildings exected in and incongruous buildings erected in city neighbothoods came in for condomnation by albort S. Bard of New York, a native of this city, who spoke Monday night before the meeting of the Art stu buils association in Sister hall anner. Mr. Bard's subject was Community Spuit which he applied especially to be matter of the appearance of a city.

The meeting was open to the public by invitation and Mr. Bard was at 6 o'clock. The meeting opened with prayer by Arthur F. Wyman, after which the ladies of the Central Baptist church served the following mean:

lie by invitation and Mr. Baid was introduced to the good sized audience by Ozlas Dodge, who referred to the by Ozias Dodge, who referred to the great interest that all have in the beauty and welfare of their own city. In his opening words Mr. Bard spoke of the pleasure it gave him to meet so many old friends and others who seemed like friends to him because he saw in their faces the resemblances to friends of abother generation that he had known. Community spirit, he said, was not a new At the close of the menu Campaign Director Clarke called for the team renity spirit, he said, was not a new thite Primitive man showed it in the tribal spirit. It all grows experience. tribal spirit. It all grows experience. We want something and we find we can get it by clubbing together. Community spirit can be shown by our interest in streets, lights, severe, fire and police matters and in the appearance of our city. There is a real obstacle, though, in the right of the owner of private contracts.

B John M Swahn ... 34 234

Totals ... 198 52,192

As each team captain made his report he spoke briefly of the encouraging experiences he and his team workers had during the day.

Harry Baker, New York city. Boyar Work Secretary of the international committee gave a brief talk, after which pred D. Farr, New Haven, Skate secretary of the Y. M. C. A., was hourd briefly to the secondary of the Y. M. C. A. was hourd briefly to the state.

Mr. Bard advanced the proposition that a week. the becole who perpetuate these offenses to good taste are treading on our toes, for there is a common patrimony, a neighborhood patrimany, even in private property. The courts, however, have not in the past backed up this public spirited point of view, but there is a changing sentiment above. entiment along this line that is rapidly rystallizing and the beginnings are recying in. He spoke of root signs as unsightly as well as being fire hazards, and said that rural communities have two remedies that they can apply against the bill board in the application of faxation and the boycott of the advertised article.

We should think, said Mr. Bard, in closing, that New England towns of all places, ought to show community spirit. Why not have a renaissance of that old spirit that once certainly used to dwell in our New England towns? Such always comes through the work of one person or at most a small group. Why not our

An Aid to Wearing This Season's Fashions

(Helps to Beauty) Here is a simple, unfailing way to rid the skin of objectionants hairs:
With some powdered delatons and
water make enough pasts to cover
the hairy surface, apply and in about
2 minutes rub off, wash the skin and
every trace of hair has vanished. This
is quite harmiers but to avoid discos quite harmless, but to avoid disap-construent be sure to get the delizione an original package,

# Victor Record

If it's listed in the Victor Record catalog, we have it-or we'll get it for you. Tell us the number of that hard-toget standard record and see if we don't make
